Dear Harold:

Enclosed you will find a copy of our budget and program of work for 1966. You might give special attention to the committee arrangements which are operating fairly efficiently. We have also enclosed a copy of the 1966 directory. We have baptized approximately twenty people already this year or maybe more. I am not certain of the number as I dictate this letter.

We have a very good set of business meeting notes, official records, and other necessary procedures that make the church office, under Mrs. Sylvia Wright, a great help to the preacher.

I am so happy that you are willing to consider this work and give as my honest evaluation that it is ready to move into the best phase of the church's existence. We have been successful in correcting a number of wrong and bad attitudes. We do have a number of people with experience in spiritual activity that a few years ago had none. Given a preacher who will stay with the work and not be gone as I have been, this can be the best work in the Southeast (even including Madison).

I may not be here for most of the day but will see you if you stay over into the first part of the week. I will be happy to answer any further questions of any kind that you have.

Fraternally yours,

John Allen Chalk
