Dr. C. B. Roberts  
Sparta, Tennessee

Dear Dr. Roberts:

Because of the nature of my work, I am in constant contact with a number of people who need extended treatment for mental illness. Our local facilities are taxed beyond the possibility of necessary care in many cases.

It is my conviction that a state mental hospital could well be built in the Cookeville area and thereby serve a growing population as well as a growing problem.

Sincerely yours,

John Allen Chalk
