Mr. Fowler Stanton  
Smith County High School  
Carthage, Tennessee

Dear Fowler:

I had a delightful visit with you and your young people today. I appreciate your consideration in inviting me and believe that we were able to plant some seed that will bear true fruit in the years ahead.

I have a sneaking suspicion that my honorarium came out of your pocket. I was happy to come without any consideration of that nature but do appreciate your thoughtfulness.

I consider your contact with the students at the school a very valuable one, and I know you must mean a great deal to them.

Fraternally yours,

John Allen Chalk
