Dear Don:

We are all thrilled to know that the Brazil radio network has been purchased by World Radio. We pray God's blessings on the raising of the necessary funds. I know you will be an important part of that effort, and I wish you greatest success .

With the purchase of these stations, I wonder if it will be possible to get Herald of Truth on the network. You understand that this is an unofficial inquiry, but I had thought you would be able to look into it from a personal standpoint. If there is an advantage to having more than one broadcast, we would appreciate Herald of Truth being included in the programming along with Brother Howard's programs. Any attention you can give this will be appreciated.

I hope your family is in good health. I send all of you my love and best wishes.

Fraternally yours,

John Allen Chalk
