Dear Don:

I have just learned through "World Radio News" of your mother's passing on November 28. I can't remember whether you called me about the Brazil situation prior to this date or not, but I do regret not having known about your loss and having sent my concern earlier.

I feel no greater tie to any two Christians than you and Marian. I know that God has given you great comfort and that you praise him even more deeply now than ever before. We are thinking of you and deeply concerned about your family and your work.

Fraternally yours,

John Allen Chalk
