Dear Brother Crosslin:

I have definitely scheduled our meeting for April 6 through April 12, 1974. Even though this day is a number of years away, I look forward with anticipation to our efforts together. I know that if the Central congregation continues to make progress in the future as it is now making that you will have a great work by that time, and it will be an honor to be associated with it. I understand these dates include Saturday evening, April 6, through Friday evening, April 12. This might not have been clear to the brethren at the time that they made the request for confirmation of these dates. It might be best for us to begin the meeting on Sunday morning, April 7, even though I will be available for Saturday evening, April 6. But we will deal with that closer to the time for the actual meeting. I will look forward to working with the brethren there.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

I was just handed your letter last evening by the Elders to be answered.

The gospel meeting for April 6th through April 12th, 1974 is satisfactory with them and now confirmed as a definite date, the Lord willing.

We're very happy to have you scheduled for a gospel meeting and can assure you that plans will be well laid.

Thank you very much for your consideration. We will be looking forward to this great event.

In Christian love,

John E. Crosslin
