Dear Brother Chalk:

Your letter of December 28th was received yesterday in time for our Elders meeting last night.

They feel that the meeting should last Sunday through Sunday, April 7th through April 14th, 1974, if this can possibly be arranged.

This congregation is a very active one and prepares well in advance for each meeting. To gain the most from the meeting, we have found by capturing the audience on the first Sunday gives a chance for teaching them throughout the week and most of the response comes on the last Sunday. We strive for our largest attendance on the first Sunday of the meeting and we will assure you that the ground will be well cultivated and everything will be ready for a great ingathering of souls.

You will not have to worry about the expense of having to be away from home over two Sundays as the church here takes all this into consideration. If this cannot be arranged, then possibly you could start the meeting on Friday, April 5th, lasting through April 12th, 1974. Please let us know by return mail if this can be arranged.

We are more than happy to know that we can secure you for our Spring meeting in 1974.

In Christian love,

John E. Crosslin
