Dear Sister Stuckey:

It was such a pleasure to become acquainted with you recently and to learn of your desire to have material which was presented on Herald of Truth regarding "The Church" during the month of March, 1966. I was able to uncover only one copy of this sermon booklet since all others had been requested; and I am very happy to be able to send it to you.

I understand you desired to have this material for the class you are teaching during the Vacation Bible School at Jacksonville in the month of August. I do hope this will reach you in time for the preparation that I know you are already making for this class.

Continue to remember our program, please. We are in need of your prayers and financial support. It is a pleasure to have become acquainted with you and to know of your good work in the Kingdom.

Faternally yours,

John Allen Chalk
