Dear Bud:

We have finally gotten settled in Abilene, and we are now living at 809 Byrd Drive. My telephone number at home is OR 2-8953; and, of course, the Highland number is OR 7-3522.

I have not carried through further with the plans on the book, but I hope to do some more with it this fall. I am not sure that I returned the manuscript you let me read on the Montgomery Lectureship. I read it with relish and re-read it. If I have not returned it, I will uncover it on my desk in the next few days of exploration and send it to you.

The pressure here has been great; but I feel so strongly about the opportunities presented by the program that I am trying to make the best of them. Expect, though, to hear anything about me regarding my Herald of Truth work, because I never know from day to day what might explode. Above all I need your prayers, and I covet any suggestions you may have at any time.

Accept our prayers for your new work.

Faternally yours,

John Allen Chalk

Dear John Allen:

I thought I would let you know my new home address which is 1304 Rosemond, Jonesboro, Arkansas 72401, and my residence telephone number which is (501) WEBster 2-4328 in case you want to bring your address file up to date.

Thanks for your encouragement during my difficult times, and especially your kind remarks concerning my speech delivered at the Alabama Christian College Lectureship. Have you carried through with your plans to include this in a book on race relations?

You are constantly in my prayers and I especially pray that all of us will come to a better knowledge of the Holy Spirit so there will be an absolute minimum of disagreement among brethren on this point. How are you and Brother Harper getting along?

Write me whenever you have an opportunity.

Your friend,

Lawrence (Bud) Stumbaugh
