Dear Harold:

It was a real pleasure to talk with you week before last and to receive your invitation to be with the congregation there on Sunday, November 20. I understand that you want me to speak at the morning service on total commitment and Sunday evening you want me to expand my remarks regarding total commitment to a discussion of liberality.

I have looked at your material, "Person To Person" and feel that you have an excellent method here—a method that can be used by any person who is concerned enough to communicate their faith to others. I like the idea of the flip chart board and find many of the diagrams especially interesting and instructive. I pray for a widespread use of this material which will mean that more and more souls are being led into a saving knowledge of Jesus Christ. My prayers are with you and your work at Lubbock and my prayers are also yours regarding the distribution of this excellent material.

We, of course, have learned the sad news about Jack Goodman's body and send our deepest sympathy to the families involved. I know this has been a great blow to you and to the entire congregation; but God is Power and the Sunset congregation will move ahead to future challenges like she has in the past, because others will fill their roles in the kingdom.

Fraternally yours,

John Allen Chalk

Dear John Allen:  

I am sending you under separate cover my new personal work book that has recently come from the press.  

This material is being taught to, and used by, the preachers here in the Sunset School of Preaching. Several churches in Ohio, Indiana, Tennessee, Oklahoma, Louisiana and Texas are using them in training classes and in the actual personal work.  

I have designed this material in order that "the average man in the new" might be activated.  

I would appreciate your inspection of the material and also a candid appraisal. It is my prayer that soul-winning will be accelerated in the days ahead.  

We are enjoying a challenging and satisfying work here in Lubbock. I hope that all is going well for you in Abilene. May the Lord bless you.  

Fraternally,  

Harold

P. S. I enjoyed your dynamic lesson at the workshop. Keep up the fine effort!
There is one story in the Bible,

like a seed of death.

The seed line of Christ.

Gen 3:15

1. Christ would destroy the devil's power.
   Rom 16:18

2. Christ would be of woman's seed.
   Gal 4:4

Note three-fold promise:

1. Spiritual promise.
   Gen 12:3; Acts 3:26

2. Physical death: separates the soul from the body.
   Rom 6:23; 1 Pet 3:18

An intensity to Hell is a horrible thing.
