Dear Leon:

Thank you so much for the explanation about my subscription to *Communion Quester*. I was not aware of the gift subscription given by Mrs. Marie Kelley. I do not know this woman nor the purpose behind her gift subscription. If you could help me with this, I would like to know and thank her.

I do understand that my subscription is paid through Volume 2, No. 4. I have found the *Quester* highly stimulating and invigorating. Continue your good work with this publication.

We send all the Brazil group our very best wishes. We pray for the success of your efforts.

Walter Kriedel spent two nights in our home during the recent Bible Teachers' Workshop. It was such a pleasure to talk with him and to learn directly about the work being done in Brazil by your group. We send you our prayers.

Fraternally yours,

John Allen Chalk

Dear brother Chalk:

As you may have been informed earlier, you were given a one-year gift subscription to COMMUNION QUESTER by Mrs. Marie Kelley. It has also come to our attention that you personally subscribed for one year to COMMUNION QUESTER. This means that your subscription is paid through Vol. 2, No. 4.

Thank you for your interest in the work of the Lord and for your part in helping to spread His gospel abroad. We appreciate very much your work and all that you are doing in His kingdom.

If you should have any questions, please feel free to communicate with us.

Yours in Christ,

Leon
