Dear brother Chalk:

Evidently we will not be able to finish our building in time for our meeting in May so we will have to make some changes in our plans.

As you know, we are planning a campaign in August with brother Larry Swaim. The elders here and brother Swaim feel that it would add much to our campaign if you would be able to speak the first week during that effort. If possible, we would like for you to begin the preaching part of the campaign August 14th and continue through the 20th. If you are unable to go through the 20th, we could conclude your part on the 19th. Brother Swaim will then begin speaking the 21st and continue through the 27th.

We are expecting 30 or 35 young people from the Nashville area to work with us before and during the two weeks of preaching. Also, we are planning to use a full-time personal work director during the month of August. We are hoping for great things during this month as your presence will surely add much to the effectiveness of our work. If we combine your meeting and the campaign we will be able to spend more at that particular time in advertising rather than divide it up into two efforts. We surely hope you can come August 14th. Please let us know as soon as possible if you can be here.

It is good to hear of your continued success in the Lord's work.

Yours in Christ,

Paul L. Watson
