Dear James:

I want to thank you for giving us so much of your time during the recent Bible Teachers' Workshop. I know there were many other people that you could have seen and other places you could have visited; and your taking the time to be in our home was deeply appreciated by Sue and myself.

It was so good to see somebody from Middle Tennessee, even though we have been gone such a short time. I have no one in that entire area that I have felt closer to than yourself. I treasure so deeply our friendship and look forward through the years to countless opportunities for our mutual efforts.

Please be assured of my prayers for the great work you are doing at Westwood. The congregation has become a great light in that entire territory, and I know God will continue to bless your work.

If you were unable to see Wally or if you were not satisfied with the interview, please write me about it. I hope that I can work with you directly if we push for another Radio Scotland Campaign at the beginning of this next year.

Give our regards to the family. We appreciate you from the bottom of our hearts.

Faternally yours,

John Allen Chalk
