Dear Brother Chalk:

Thank you for your letter of response to the Bible Chair Journal. We are anxious to secure the names of elders near campuses where there are no Bible Chairs as we build our mailing list and direct attention toward them. I have asked Brother Ramsey at Quality Printing at Abilene to send you 25 copies.

I appreciate your interest in the work at Tennessee Technology University and hope that your plans will continue to progress toward success. We are looking forward to having you on our campus in the fall of 1967.

Sincerely,

James R. Wilburn
