Dear Brother Chalk:

Plans are under way for our third annual YOUTH FORUM, to be held here Friday and Saturday, July 29, 30.

We would like very much to have you as one of our featured speakers again this year if you will be available at that time. Thus far we have had some of the most talented and best-known men in the brotherhood assisting in our efforts to inspire our young people to greater heights in service to the Master. Plans call for more of these brethren this year.

The Youth Forums thus far have been a tremendous success. Our first had an attendance of 400 and the second drew 500 young people of high school and college age, some from as far away as Dallas, Texas. It is our aim to increase this number considerably this year. During one of these meetings 31 were inspired to commit themselves to world evangelism and possibly 100 or more have given themselves in Campaigns for Christ all over the country as a result of having attended these meetings. Others have given their services in other ways. We hope to challenge them even more in 1966.

If you will be available and willing to help us this year, we will appreciate hearing from you at an early date.

Enclosed is a copy of last year's program. Our theme this year is - "Christian Youth - Hope for a Dying World."

Upon receipt of an affirmative reply we will contact you further relative to your subject, details, etc.

In the Master's name,

Jim Willis  
Youth Forum Director
