Dear John Allen:

This is the second letter I have written you today, but probably the first you have received.

May 7th is confirmed for the retreat. Now we are in a real bind to get our public relations materials produced and in the mail. We plan to have about two or three instruments in the mail before the first week of mail.

Some of this I will repeat in the other letter.

We need a glossy print photo of you. A short biographical sketch. Do not be modest in this. Let our PR man do the editing. Also, if you could send us a copy of the speech you plan to give or some statements from it, for use in a brochure, we could use it. We want the people who read the brochure to feel like they need to come.

When do we need all this? NOW!!!!!! We begin work on the layout and copy for the first brochure Monday morning. Please air mail as soon as you get it together.

Thank you.

Dear John Allen:

Thank you very much for your quick response in sending the picture and biographical information. This letter is to invite you to spend the entire weekend with us if you wish. Also, you may wish to bring your family. This is up to you. If you decide to do so, please let us know. We are looking forward to an exciting time of spiritual uplifting.

Very truly yours,
