Dear Vivian & Jimmie:

During the past year my life and the lives of the rest of my family have been uniquely blessed through our association with you. As Sue and I reflect over the past twelve months, we remember with pleasure and warmth our wonderful day in your home. On another occasion I also remember your Christian spirit and hospitality earlier in the same year.

This is our way of saying once more thank you and wishing both of you continued health, spiritual prosperity, and opportunities to serve for the days ahead. 1966 may prove to be the most decisive year in the history of the world and of the Church. Action will continue to exercise even greater influence throughout our brotherhood. Already from every corner of the nation I hear remarks like, "It is the most influential paper among us." People are reading it because Jimmie is speaking from his heart to their hearts as they truly exist and then as they must be changed to exist in greater obedience to God's plan.

Let me know how I can help encourage churches to receive the bundles next year.

We love you,

John Allen Chalk
