Dear Susie:

I was pleasantly surprised last week to receive your very kind letter and to be brought up to date about your present activities. I had not realized that you were still in high school due to the very mature way you worked in our North Bay Campagin, along side the college people. I am happy to know that you already have your plans made to enter Freed-Hardeman College upon graduation from high school and know that you will have one of the great experiences in your life.

There is no way to adequately express the tremendous spiritual contribution which the North Bay Campagin made to my life. It is thrilling and rewarding to hear from others who worked in this effort like you and to know of the value they received from such an effort. I hope and pray thereit will be many other occasions during which we can participate in a similiar effort.

Please let me know from time to time about you and your activities for the Lord. I send you my prayers and best wishes.

Your brother in Christ,

John Allen Chalk
