Dear Folks:

Please excuse my tardy expression of appreciation for your very thoughtful gift of the record, "Claudia's Letter." I have listened to it several times, in addition to playing it for our teenagers, and have been moved very deeply on each occasion. It was kind of you to remember me in such a wonderful way.

We become more excited by the day about our Orange County campaign and look forward to working with you and your fellow Christians in that area. Please pray for me and for the entire effort to the end that many souls will be brought to God through our Saviour, Jesus Christ.

Fraternally yours,

John Allen Chalk
