Dear Malcolm:

Included in this letter is a statement that I hope you can use in publicizing My God and My Neighbor.

Malcolm Hill's My God and My Neighbor is a refreshing treatment of a subject under current consideration by many congregations. Personal evangelism as set forth in this volume is the responsibility of every child of God. Brother Hill has written this book out of the realistic needs and practical problems of encouraging and inspiring a local church to greater personal proclamation of Christ. Congregations will find in the arrangement of the material a very useful book for a full quarter's classwork in this vital area.

I appreciate the contribution you are making to the brotherhood through this volume and pray a wide circulation for your book.

Fraternally yours,

John Allen Chalk
