Dear Lyn:

I know you all are wondering about when you are going to get any money on invoices 13501 and 15468. As of yet, I have received no money from the McGregor congregation for the books sent there and none from the books sent to California representing these two invoices. I am trying to get that money now in order to send it to you.

I do have a question about invoice no. 15468. The discount on the fifty volumes sent to California was only 40%. On earlier volumes I have received 50% and of course would desire that on the invoice in question if possible.

I will get you your money as quickly as possible and will look forward to your answer concerning invoice 15468.

Your friend,

John Allen Chalk
