Dear Lee:

How pleasantly surprised I was recently to receive your check and contribution to Herald of Truth. Dr. Baxter's new color television series will be viewed on more than 125 television stations in the United States and Canada. My radio program will be heard on more than 521 radio stations in 13 countries. All of this is being done on a budget of just over \$1,000,000. Our plans for the next two years call for an increase in stations to 1,200 radio and television stations with an annual budget of over \$2,000,000.

I know you would be as thrilled as we are if you could read a sampling of the thousand of letters received every year from people we would not otherwise have reached. Thank you for your interest and concern.

Fraternally yours,

John Allen Chalk
