Dear Wesley:

Please excuse my tardy reply to your urgent and important letter of November 15. Unfortunately, I have been unsuccessful in creating an interest in your problem among our brethren. Your request came at a difficult time for us when plans were already being completed for the 1966 budget. Our successful raising of over \$2,000 for North Bay earlier in the year might have also affected their judgment about this matter.

I have felt for a long time that yours is one of the most effective works in Canada. It is for this reason among others that I must painfully indicate my failure to render assistance. I do hope that God has provided a way through others more sensitive than our brethren and that your television program will not have to go off the air. God bless you and help you.

Fraternally yours,

John Allen Chalk
