The Honorable Kenneth Hahn
Supervisor, Los Angeles County
Hall of Administration
Los Angeles, California

Dear Kenny:

Sue and I continue to talk about our extremely pleasant visit with you during my recent "Christ for Today" campaign in Orange County. As usual, you went far beyond the call of duty or benevolence in welcoming us into your office and giving us so much of your valuable time. Sue was thrilled at the luncheon and the sights which Davis Lear and Walter King arranged for her. Thanks so much for another unforgettable visit with you.

Enclosed is our local paper showing the treatment that our visit to Los Angeles received here. Please notice not only the picture and story on page 1 but also the article on page 5 concerning my helicopter tour of Watts.

I look forward to many opportunities of meaningful association with you in the future. God bless you and your family for the encouragement you continually bring to so many of us.

Your brother,

John Allen Chalk
