California

Dear Jimmy:

It was great to learn of what the Vandalia Village church is doing with Action. I know there are many other congregations who will want to do the same thing if this is given publicity in the paper.

I do hope that Joe Barnett will be able to add his efforts and influence to the paper. It will mean a great deal.

Thanks very much for Patsie's remarks about my preaching. The Lord knows that I am open to suggestion from any quarter that might lead to a more effective presentation of our Savior to a lost world. I do think her suggestion is a valid one and hope to remember it and use it. Give her my regards and gratitude for being so thoughtful.

Enclosed is my article for the next issue of Action. I do hope this is an idea that will be emphasized, more especially in our congregations that have a large number of healthy, capable, retired people.

Fraternally yours,

John Allen Chalk
