Dear Jimmie:

Your most recent letter is indeed a pleasantly surprising suggestion. I am so happy that God has placed you in the position of influence that you and Action now enjoy. I will be happy and honored to write a column for the paper. I have wanted to do something of this kind for a long time and I hope that there are some things that I can share to the benefit of the whole brotherhood.

Your concern for and interest in Pat Boone is encouraging. I am convinced that many have erred in their attitude toward him and that we still do not know the immeasurable good he has done and will do in the future.

I will be sending along my first contribution as requested in the next few days.

Your affectionate brother,

John Allen Chalk
