Dear brother Sumerlin:

We understand the work in Spain continues to progress and are glad to know your great contribution to this cause. Since writing you and hearing from you other developments concerning the radio work program have taken place. Because of the demands of my schedule, I was only able to get three sermons ready by the deadline. These were held by the Highland Elders until all was completed.

Your probably know all of this by now but I did want to write and let you know the full story so you won't be confused. Even though my sermons have not been sent to brother Monroy you may learn something from his experience from the eight sermons that have been sent to him. You may help me on the ones I am to do on the next series. Any suggestions and all remarks will be appreciated. We pray for your continued health and good work in Spain.

Fraternally yours,

John Allen Chalk
