Dear Dr. Beguesse:

How very thoughtful of you to write on July 8 in response to our most recent Herald of Truth radio sermon on racism. You should receive copies of all the July sermons in the very near future. As of yet, we have not received them from the printers; but I can assure you that upon receipt of them, your copies will be sent immediately.

You say many encouraging things in your letter, and I want you to know how much I appreciate your having taken the time out of your very busy schedule to write in response to our radio ministry.

I am grateful for a copy of your book, Man - Evolution's Unfinished Product. I am carefully reading and considering all that you say in it. I appreciate so much your thoughtfulness, and the inscription on the inside cover of the book is an inspiring one, to say the least.

It is a pleasure to have you as a regular radio listener. Write any time I can be of any service to you.

Sincerely yours,

John Allen Chalk  
Radio Speaker
