Dear John,

My wife Jo and myself are grateful to you and Sue for the very memorable Saturday evening we spent in your home. As you already know, Sue is a very gracious hostess, and we enjoyed ourselves no end. Fellowship with the group of people as fine and devoted as those present, is an experience everybody should have.

John, I would appreciate it if you would contact Mr. Ramsey Cammack, President, Baker-Cammack Hosiery Mills, Inc., Burlington, North Carolina. We have no zip code, and there is no other street address, but this address will reach him. I sincerely feel this man is a wonderful prospect for conversion. He is, and has been raised a Methodist. He is interested in your work both personally, and financially.

My wife and I appreciate the opportunity of seeing first hand the tremendous organization, and the efforts they are expending in behalf of the Herald of Truth. You are to be commended for the very major role you are playing in it. Our prayers are constantly with you.

Again, thanks for the opportunity given us to be a part of this great effort.

Sincerely yours,
