Dear John,

I have really enjoyed your radio programs. I travel for the State Dept. of Education.

We had some Graduate classes together at Tech. I admired you as a person, and for being a witness for Christ. Having been acquainted with you helps me to appreciate your messages even more.

My name is John Britth and I married Nancy Pharris. We have two beautiful children, John Jr. and Laura Ellen.

On the 28th of January I
listened to "Four Keys to a Better
Family." This was paper 835. hm
I would like for you to mail
me a copy of this message.

John it was good talking
to you through this letter.

John Britton
