WALLY BULLINGTON • COACH OF FOOTBALL

December 17, 1968

Dear John Allen:

Just a note to say a great big thank you for your speech Monday evening at our Football Banquet. I could tell by the attention of our squad and those present that what you had to say meant a great deal to them.

I appreciate your pointing out some very important facts about our program, especially since several of the administration were present. I am thankful that you agreed to be a part of our program this year, and even though you won't be with us next year we feel that the contribution that you have made will be felt very strongly while these young men are in college.

Thanks again,

  
Wally Bullington
