Mr. Boyd L. Cribb, Jr.  
510 East Broadway  
Lenoir City, Tennessee

Dear brother Cribb:

Thank you so much for your encouragement of our special effort at Karns last week. It was a real pleasure to see you and to get to visit with you. I deeply regret that I got pulled into a congregational matter in our question and answer period at Karns with the ladies on Thursday. I learned later that you and the ladies who asked the question about Second Corinthians 6:16 had already had extensive discussions about this passage. I regret that it was necessary for us to spend any time on it in the open forum, and certainly hope that I did not, in any way, cause greater disharmony and dissension within the Lenoir City congregation.

I have asked that you be sent an audience building kit so that special efforts can be made by the Lenoir City church to encourage more to listen to our Herald of Truth radio and television programs heard and seen in that area. I also asked that you be added to our monthly mailing lists to receive all Herald of Truth radio sermons.

Thank you so much for all the encouragement you gave me personally. I send you my best regards and prayers for your continued effective work with the church there.

Fraternally yours,

John Allen Chalk  
Radio Evangelist
