Dear John:

All looks well for Lake Geneva Encampment. I look forward to hearing your sessions on "Christ" each morning at 9:00 o'clock and your discussion on "Morality." I am getting out a letter this week reminding all the families attending of your challenge last year to read the Gospels through and making notes on our reflections about Jesus for preparation for your 9:00 o'clock session. You will note that for your 10:00 a.m. session Thursday three men are scheduled to serve as panelists, each having ten minutes to use as they see fit. I would trust they would promote some discussion with you. They will be expected to have given serious consideration to the subject. I am asking Richard Hardeman, the new superintendent at Shults-Lewis Home in Valparaiso, to be one of these three and Ron Ingram will be the second one. I have not yet gotten the third man.

John, neither ^{Smith} Dale nor I have gotten any response from Clois Fowler about whether or not he would get to Lake Geneva this year. The last I had from him was last November when he was at West Chicago when he indicated you would be. I don't think I have heard from you since then. Mrs. Helen Plummer has reservations for you and your family. I look forward to seeing you. If I can be of help let me hear.

I am sure you have heard about the conference on "Race Relations" planned by Jimmy Allen, Eugene Lawton, and Roosevelt Wells. Vernon and I have been trying to get that program re-scheduled from Atlanta to Lake Geneva since we would have space totally apart from our program. As yet we have gotten no word.

In Christ,

Jesse E. Clayton
