Birmingham, Alabama

Dear brother and sister Clevenger and family:

Being in your home on Friday evening of my week-end in Birmingham was a very pleasant way to begin all of our activities. I appreciated so much your willingness to have me in your home and to give me the opportunity to become personally acquainted with two wonderful children. It was also thoughtful of you to have the Bennetts and Osburnes. Thank you so much for the lovely meal and a great week-end.

I was deeply impressed with the quality of the work being done by the West End congregation. Ernest is certainly bringing a valuable leadership to bear on this congregation. I could see it in all areas of the congregation's life.

It meant so much to me personally to be with you, and to have enjoyed this week-end with the West End church. Thank you so much for all you did to make it such a pleasant time. The visits on the two TV stations were themselves worth all the time and effort involved in the trip. I thank you again for all you did to make the week-end such a joy.

Faternally yours,

John Allen Chalk
