Dear Judy, Darrel and family:

Thank you so much for taking the time out of what must be a very demanding schedule to encourage Sue and me. We both were so happy to get your letter. We had read about you and your work in bulletins from the Decatur congregation. It was a special thrill to get your personal letter.

We are looking forward to working with the Decatur congregation. The 24 college campuses in the Greater Atlanta area provide unique challenges. We believe that God's will for our lives takes us to this great city, to this special ministry, and to the opportunity to better prepare for coming years.

I will be entering Columbia Theological Seminary in the fall. Our work is going to be very demanding, especially coupled with the responsibilities at the school. This is why we ask for your prayers, as in turn we assure you of our concern and prayers that God will use you mightily in the great work being done there.

Fraternally yours,

John Allen Chalk

From Darrel and Judy Davis

Dear John Allen, Sue, & family,

We were so pleased to learn of your plans to begin working with the Lord's Church at Decatur. Decatur is really an active working congregation.

It has been a blessing for us to have been associated with the Church there during the past two years. Our desire to serve the Lord in a foreign land has been made possible by the wonderful Christians at Decatur and we are so thankful to God for them.

We are really liking Brazil and finding it to be a very nice place to live. We are learning to love the Brazilians more and more as we live among them, work with them, and become more fluent

with our Portuguese.

We will be looking forward to meeting you all when we visit in Decatur again next year.

May God bless you in the wonderful work you are doing for him now, and will continue to do in the future.

In Christian love,  
Darrel, Judy, Karen, &
