Mr. Ben Enochs
Radio Station WDXL
Lexington, Tennessee

Dear Ben:

I thoroughly enjoyed our recent telephone conversation. Thank you for taking the time to talk with me. I know your days are always busy and appreciate your time.

My mother has written often in the last few months about her experience with the Lexington High School. She has truly found a great source of encouragement in the things she is trying to do as a Christian at the High School in you as a School Board Member. I know that God must be using you, not only in mass media but also in this special role as a public servant. I send you my prayers and best wishes for your continued effectiveness in these areas.

The enclosed letters are confidential letters out of our files. I have sent them to you in view of what I believe to be an opportunity or opportunities you may have after reading these letters, to share your convictions with the elders and other members of the Henderson church, and faculty and administration leaders of Freed-Hardeman College. You might want to read these letters and then destroy them. We certainly would not want to make further copies of them. If they can help you to be more informed and sensitive to the things you might be able to say to the Henderson people, it will be deeply appreciated. Thank you for taking the time to talk with me and for considering this important matter.

Fraternally yours,

John Allen Chalk
Radio Evangelist
