Dear Roger:

I do remember you well. I thoroughly enjoyed the opportunity of visiting with you last year while visiting in Nashville. I always think of you when I get your regular reports. Thank you so much for putting mw on your mailing list.

I was thrilled, not only to get your kind note but to know of your very generous contribution to Herald of Truth. Our ministry has never faced greater opportunities and has never been in greater need of financial support than now. Your financial contribution certainly came at an excellent time. I want you to know that all of us were encouraged by your thoughtfulness. It seems that we don't get a great deal of support from younger, more relevant and active men and women like we wished we did. This often means that we listen to reactionary suggestions more than we should. I want you to know that your contribution provided me personal stimulation and encouragement.

I am sorry that my financial affairs during the past year were such that I could not make any investments. Your investment notes, however, have been appreciated. I have looked at all of them and in the future, possibly, we may be able to do some business together.

Thank you again for writing and for supporting our ministry.

Fraternally yours,

John Allen Chalk  
Radio Evangelist
