Dear John Allen:

It was certainly a pleasure to hear from you, and I was certainly pleased to see that you are continuing to climb the ladder of success in your field of carrying the word of Christ to the people of this nation.

You will note by the enclosed agenda that our schedule for the Coaches' School this summer is already set, and there could be no change in this schedule at this late date, but you can be sure that I will bring Coach Wally Bullington's name before the Coaches' School Committee that will meet in November 1969.

This committee will be composed of one coach from East, Middle, and West Tennessee, the head football coach from Tennessee Tech, Mr. Bridges and myself. We are always striving to find good speakers for the clinic, and whenever we have a man of Coach Bullington's qualifications I can see no reason why he shouldn't be considered as one of our instructors.

Thank you again for your interest, and if you are ever through Trenton, Tennessee please drop by and visit with us.

Sincerely,

Gill Gideon
