 O Subject: Miss Janeta Prior: Thank you so much for the way you are handling these names.

Dear Joe: The young lady who works here in the office with Mrs. McLeod and myself, Janeta Prior, has hear no word from you regarding the possibility of her work as a Smith Hughes Home Economics teacher in one of your inner city or urban schools. Miss Prior is an accomplished young woman with a great maturity in working with black students, as well as with integrated situations. She will bring great strength to our work. I hope you can get some material to her as quickly as possible. Simply send it to her in care of Herald of Truth.

I would also like for you to see if there is any possibility of a job for Mr. Hugh Thomson, Box 4943, State College, Miss., 39762. Mr Thomson is an Australian who would like a job in Atlanta as a Tennis Pro or an assistant Tennis Pro in one of your country clubs or tennis clubs. Mr. Thomson is listed in the United States's Lawn Tennis Association, and is a ranking tennis player in America. He will gradute in June from Mississippi in Ag Economics and Business Ad. He has no military worries, and is definitely interested in what we are doing in Atlanta. Any communication you can make with him will be appreciated. He will have to have support and will work as a tennis pro while probably continuing his education. Memorandum: a note to help or jog the memory! (Webster)
