Dear brother Chalk:

Plans for the Central Ohio Lectureship are beginning to materialize now after many hours of discussion. I believe that we have some of the finest men in the brotherhood scheduled to speak on this program.

We would like to have a picture and an autobiography from you. We will pay you \$25.00 for each lesson presented plus your air fare for a round trip. If you would choose to drive and then take an excursion some place else, we will still pay you the equivalent of a round trip plane fare. You may check the air fare and make the arrangements to suit your convenience. Should you desire a check in advance to cover your travel expenses, let us know the amount that is needed.

We have you scheduled to speak on Friday evening, April 18, at 8:00 p.m. and on Saturday afternoon, April 19, at 3:10 p.m. Your subject on Friday evening will be "Unity" and on Saturday afternoon you are scheduled to speak on "Total Commitment". We are also looking forward to having you speak for us on Sunday morning, April 20, at our worship hour.

I hope we have covered everything that you need to know in this letter. Should you have any questions, please let us hear from you soon.

We would like to have the picture and autobiography by the 1st of February. Please make a special effort to have it to us by then so that we can make the necessary arrangements with the printer.

With best wishes for you and yours.

Sincerely,

*Dottie Johnston*

Dear Miss Johnston:

Please forgive our lack of organization, but something new has been added to brother Chalk's schedule and both of us forgot it when making reply to your letter. Brother Chalk is now host and interviewer of a Radio Talk Show each Sunday evening here in Abilene aimed at the students on our three college campuses. It just began last Sunday night so we are rather slow in making all necessary arrangements.

Would you convey to the brethren there our present need for brother Chalk to leave Saturday evening after his part on the program so he can return to Abilene Saturday night? This would really help him in getting ready for the radio program. Since he has agreed to stay over for Sunday morning, he realizes his commitment, but since he has no part on your program Saturday night, he would appreciate it so much if you could release him from the Sunday morning time.

Thanks so much and please excuse me for not catching this when I wrote you yesterday.

Sincerely,

(Mrs.) Helen McLeod  
Secretary to John Allen Chalk
