Mr. Ken Hollingsworth
Campus Evangelism
37 East 14th Street
Tempe, Arizona

Dear brother Hollingsworth:

Thank you so much for your kind letter and invitation of March 31. I appreciate the opportunity you have offered me in regards to the ASU campus. I would very much like to work with all of you in the Phoenix area, and always enjoy campus evangelism efforts. However, for the next three years, at least, I will not be able to schedule this kind of meetings, due to my new school work and responsibilities in Atlanta, Georgia, beginning in August of this year.

Thank you very much for inviting me and I send you my best wishes for an even greater ministry on the campus of ASU.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

Recently there has been some discussion among the leaders of the Church in the Phoenix area concerning the possibility of bringing a person to the campus of ASU to hold a series of lectures or discussions in conjunction with the evangelism of the campus. The thinking now is that we would like to have at least one lectureship a semester with qualified men to lead discussions in the college community.

The above statement is the purpose of this letter and the reason for writing you. We would like to check into the possibility of your helping at a later date in this task. Also, we would like to know possible times of your availability and what you would consider as remuneration.

In closing we would like to ask you to answer this letter at your earliest convenience.

For the Cause of Christ,

Ken Hollingsworth
