Dear Mr. and Mrs. Holmes:

I have just asked the elders of the Decatur Church of Christ to invite Bob to become a part of our special evangelistic thrust among the college students attending the Atlanta colleges and universities. I have been deeply impressed with your son on the several occasions I have had to be associated with him. He is the kind of young whom we believe God can use with great blessing to many lost souls attending school there.

Bob will be encouraged to pursue graduate studies either in a seminary or graduate school in the Atlanta area. I happen to be enrolled as a full-time student, beginning this fall, at Columbia Theological Seminary, a conservative Presbyterian school where I find as little error taught as in any seminary I have any knowledge of anywhere in this country. We will, of course, be working very closely with any of the young men who decide to go to Columbia Seminary so that they are encouraged to deepen their commitment to New Testament Christianity as opposed to all denominational forms and errors. I have utmost faith that Bob is the kind of young man who will even deepen his faith in Christ and in the New Testament church because of his involvement in our campus ministry.

All of our efforts will be under the direct supervision of the elders of the Decatur church. These are men in whom I have explicit confidence, and I believe that you would find them to be men with great insights and sensitivity to God's truth.

I hope that Bob sees fit to answer Yes to the elder's invitation to become a part of our efforts this fall. I look forward to the opportunity to work with him and to meet you on some future occasion.

Sincerely yours,

John Allen Chalk
Radio Evangelist
