Dear John:

It seems that all news is not good news. I feel this especially when I notice that you will not be with the Herald of Truth after this July. Obviously, you have done an outstanding job and have challenged the Leadership at Highland for many years to come with the profound depth of the gospel of Jesus Christ. May God ever bless you.

Because of you I have rec'd several letters from brother Crenshaw and he seems to be a man filled with faith that the Old Story of Calvary will not only sweep Atlanta but finally the entire world. Enlisting the services of men like yourself will speed this much delayed but ever prayed for day.

Even though I have launched into a business endeavor and brought some twenty people into this endeavor it is wonderful thinking that I might be able to continue giving my time and life to a really meaningful work is indeed inspiring. John, before coming to Huntington, I worked in Albany, Georgia for two and one-half years. (I'm a former Georgia peach!)

Please advise me as to what you have in mind and perhaps, I can be in a better position to give you an answer.

Love to your family and please remember us in your prayers to Him.

Sincerely,

  
Ivory
