Dear Al:

Thanks for the report letter of January 12. Sue and I believe that the week-end spent with you and the others was the most profitable week-end we have ever had. The children thoroughly enjoyed visiting with their cousins and other relatives, and both of us were strengthened spiritually by the experience.

This is only the beginning. All of us have to not only live consistent, Christian lives every day, attempting to employ the principles of God's word, watching God give the results, but also to plan more opportunities like we enjoyed at Paris Landing.

I will get out a short note with the mailing list of all the participants within the next few days. I will be praying for every person who came to the retreat. Sue and I have already enjoyed a wonderful association in prayer together about all of you.

Thank you for making it possible for us to come.

Your brother,

John Allen Chalk

I will be the guest of Dr. Elton Trueblood at Earlham College on March 21 and 22, Friday night and all day Saturday, in a Yokefellow Seminar. If you, Bob, or Jack could attend I think you would find some fantastic insights being offered there. Concerned laymen who believe deeply in Jesus Christ from all over the nation will be present. I hope it is the beginning of a thrilling relationship with him, as Dr. Trueblood has sent me a personal invitation to be present. You remember him as the author of The Company of the Committed and Incendiary Fellowship. You might mention this seminar to Don Finto. It would be great if he or any of you could go.

Dear John Allen:

It was great being with you. We really appreciate you and Sue coming. Only the Lord knows the impact that this week-end may have on some lives. Thank you both so much for your love and dedication and willingness to share your lives with others.

I talked with Don Fente today. He is fired up and said he felt like we should start planning another retreat and have it in April or May. He said we should by word of mouth line up the people that we want to come. I'm glad he feels this way, he said Miles really did get a hit from it.

We will be back in touch with you in a week or ten days. Thank you again for showing with us. Keep passing it on Brother.

In Christian Love

Al
