Dear Jimmie:

I am still working on getting Highland to take us up on our year at no cost offer, with the next year to cost two cents per copy in bundles. Maybe we can get some action before I leave the scene.

Mid keeps his business in a chaotic condition. He probably has not even seen your letter of May 7 yet. He also rarely stops long enough to do much writing. I doubt if this appeals to him or if he can even see the kind of scope that writing for Action would have. Don't worry if he doesn't answer. He treats many, many requests like this. He simply is too busy for his good or anyone else's good, at least in a relative sense.

Sue and I will probably stay with you on our visit to California. At this point I'm not sure when we will be coming but not until after Norvel gets back from his trip. We will let you know well enough ahead so that it will not inconvenience you. Thank you so much for your loving offer. We are looking forward to being with you.

Your brother,

John Allen Chalk

Dear Jac:

I spent an hour with Bill Banowsky as I mentioned on the phone and since you and Sue will be coming I will not try to cover in letter.

Vivian and I would like you to stay with us or make use of us in any way while you are here. We have a room and bath for your convenience as well as a car and under no circumstance must you stay at any hotel or motel. Just use us for whatever convenience we may be to you rather than any feeling otherwise as we so thoroughly understand.

Brother Art did order 500 copies of the Special issue which I sent and he sent a check for \$15 as a gift which I asked him not to send but he wanted to do it.

I still wish that Highland would take me up on the enclosed more for the encouragement it would give me from my end and more for the good it will do the members there from that end.

I told you that I had written Mid on March 7th to join our staff but strange that I never heard from him one way or the other. Wonder what happened?

Give my love to Helen and I can hardly wait to see you and sweet Sue. I love all of you very dearly.
