Dear Bob:

I sure hate to turn down anything free, but Sue and I just will not be able to plan on a European tour for several summers! My work load seems to become larger with every passing week, and I simply cannot consider anything else at this point. I do appreciate your giving us this opportunity, and I hope someone can be found in that area to cooperate in this effort.

Thank you for your kind remarks about my work with Herald of Truth, and my plans for Atlanta. I pray only that God will be able to use me more effectively in the days ahead as we all try to do His will in our individual ways. May He richly bless your plans for Mission Europe.

Fraternally,

FOR YOUTH

BOB MILLER, DIRECTOR

April 3, 1969

Mr. John Allen Chalk
Allen Church of Christ
South 5 & Highland
Abilene, Texas

Dear John:

Christian greetings to you.

How would you and your wife like a free trip to Europe this next summer? This would be for June of 1970. I would like for you to consider being willing to be one of our Group Directors for the 1970 European - Youth Missions Tour. I realize you will be in Atlanta by this time and this will be just perfect for our program. Besides being a Group Director while in Europe what I would want you to do here in the States would be to promote the tour in the Atlanta area. We would give you the necessary brochures and other tools which to use for this promotion and I would be able to come into the area every now and then for special efforts.

John, you have been doing an outstanding ministry with the Herald of Truth Radio. There are many of us who are sorry that you are leaving this radio work this summer. But we wish God's richest blessings on you in your work in Atlanta. I will look forward to hearing from you regarding your decision on this tour.

Yours for Mission Europe,

A handwritten signature in blue ink that reads 'Bob'.
