Dear Dennis:

I deeply regret that I was unable to be with you the night you visited Abilene. I also regret that we were unable to get a larger crowd to attend the singing. We sent two special letters to all churches and youth directors in the area as well as asking our young people to advertise it. Unfortunately, there is not a lot of interest, that I have seen at least, in the kind of singing your group does so well. I believe that after this first visit, however, that a number of people can see the beauty and appreciate the meaning behind the songs you sing and the way you sing them.

Is there some way I can help financially with the trip? As you know, I do not have personal funds for this kind of thing, but believe that I could arrange something to assist your group if you are in need of any money to assist in this trip. If you have any suggestions, I will be happy to hear from you.

Thank you so much for coming. I regret that we weren't able to produce a larger reception for you.

Fraternally yours,

John Allen Chalk
Radio Evangelist
