Dear Dale:

Your thoughtful note was deeply appreciated. Thank you for the kind things you said about the radio program. I have been discouraged at times over my ineffectiveness, but your letter serves as an encouragement, and we all need that at times.

I am thrilled at the work being done in Marion. I know God is blessing you there and I can assure you of my continuing interest in your ministry there.

I called sister Warick while passing through Dayton last week-end on my way to visit Dr. Elton Trueblood at Earlham College in Richmond, Indiana. I had an enjoyable talk with sister Warick. She was insistent that you were asked to leave at a bad time, and that the decision itself was wrong. She felt that your work was just beginning to show the fruit of the many months of labor that you and your wife had put into it. They love and respect both of you very deeply.

Your brother,

John Allen Chalk

~~John~~  
HOT

Dear John,

Just dropping a line to say I was  
called to pick up a broadcast here in  
Marion a few weeks ago at 11:30 P.M.  
Sunday over WGY Schenectady, N.Y. (810)

Of course we can pick you up from  
Lumbus Sunday morning but thought you  
might enjoy knowing of the power of this WGY  
broadcast. It came in loud and clear.

Sorry to hear you are leaving Herald of  
the Cross but I know whatever the reason  
you will be going on to perhaps even  
greater service for the Lord.

Your clear, scriptural and 20th century  
preach to the gospel has been an inspiration  
to me in my preaching and ministry. May the  
blessing of God be on you and may you ever  
continue to walk in His steps carrying the  
gospel to the world.

Yours in Christ
