Mr. John Allen Chalk
809 Byrd Drive
Abilene, Texas

Dear John:

We are partially settled in Corpus Christi, and are thrilled over the potential and prospects for spiritual growth and development here. The leadership is effective, and the people are willing to move ahead.

We enjoyed a wonderful relationship with most of the people at Broad Street, and can honestly say we were very gratified over the obvious growth in some needed areas. I have earnestly prayed for the leadership that is so desperately needed there at this time, and I hope my successor will be just the right man to get the job done. I ask you to pray with me to this end.

If plans materialize, we will be at the A.C.C. lectures this month, and will be staying with the Virgil Miller family. I do hope to see you while there. We plan to be at the Annual Friends Reception with Johnny Thompson on Tuesday, the 25th. Perhaps we'll see you there.

John, I read of your plans to move to Decatur, Georgia, to work with the Campus Evangelism---sounds like a great opportunity. I hope you the very best success in your doctorate program. It will increase your opportunities to serve in your new work.

God go with you and guide your decisions this year.

Sincerely,

Harold Poland
