Dear Paul:

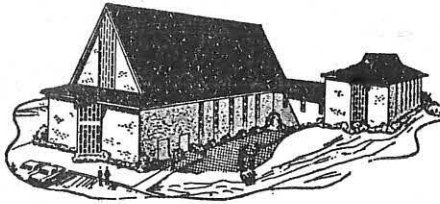

Thank you so much for the invitation to be with you in Centerville in October of this year. As you mentioned in your letter, I will be moving to Atlanta in August of this year, and my work load seems to get bigger by the week! Since I am going to school full time, and will be working as much as I can with the Decatur church's college program, I am having to keep my schedule of outside activity to a bare minimum. I deeply appreciate the opportunity to be associated with you and the brethren at Centerville, but I just will not be able to make this commitment.

Thank you also for the kind remarks about the work done here in Abilene with Herald of Truth radio. It has been a most rewarding experience, and I pray that God will continue to use our efforts in this mass media evangelism to reach the lost of this world.

Fraternally yours,

John Allen Chalk  
Radio Evangelist

Would it be possible for you to speak in Centerville on Sunday morning, October 5, 1969? We are planning a special Bible Study drive and would like to have you with us. We would also want you to be here on October 4 to address a group of young people. This meeting would probably be held at our 200-acre Christian camp.

It is my understanding that you will be located in Atlanta this Fall and we will be only a few hours away. Our budget will permit us to pay you \$150.00.

I appreciate the great work you have done on Herald of Truth. It is thrilling to note the progress that has been made!

Please let me hear from you as soon as possible. Thank you.

Sincerely,

Paul Rogers
